Forwarding Instructions at Close of Show

Exhibitor must complete outbound bill of lading prior to the close of show. Exhibit material or freight left without proper paperwork on file will be returned to the Official Freight Service warehouse at owners expense. Unless otherwise arranged, all shipments will be sent directly from show site at the close of show via the freight service specified by the Exhibitor. Exhibitors must make their own ship-out arrangements for any shipments being shipped out directly from show site by their own designated carrier(s). At the close of show, Exhibitor is responsible for making all freight ready for outbound shipment. Outbound Shipping Procedures

NECESSARY OUTBOUND PAPERWORK

An Outbound Bill of Lading must be prepared for each outbound shipment you have from the show and must be turned into our service desk prior to your leaving the exhibit area at the close of the show. This is in addition to any Freight Bills provided to you by your shipper

DESIGNATED OUTBOUND CARRIER FOR THIS SHOW

YRC Freight Service has been chosen as the designated freight carrier for this show and will be available at the close of the show to pick-up any outbound freight you may have.

EXHIBITOR SELECTED CARRIERS

Should you prefer to use a carrier other than YRC, you, the Exhibitor, are responsible to make the necessary arrangements for them to pick-up your materials at the close of the show. In the event your designated carrier fails to make the pick-up at show site during the designated break down time, Western Event Service reserves the right to force any shipment onto YRC trailers in order to be able to clear the facility by the required deadline. As part of the material handling charges, we will gladly load other carriers, but we are not able to make pick-up arrangements on your behalf with other carriers.

FEDERAL EXPRESS – Special Information

Should you use Federal Express, Airborne or any other airfreight forwarder, it will be necessary for you to provide the appropriate shipping documents, with your account number clearly visible, and schedule the pick-up accordingly. If FedEx does not pick-up your materials at the close of the show, we offer a \$20.00 per destination service for delivering your materials to FedEx.

UPS – Special Information

Should you wish to use UPS, it is required for you to provide and affix any necessary UPS shipping labels to each item being returned. UPS has very specific requirements for this type of service and it is your responsibility to make sure they are met. We do not provide UPS shipping services from the Show Floor or from our Warehouse. After contacting UPS and confirming the pick-up arrangements, either at the show site or at our warehouse, you must inform the service desk personnel of the scheduled arrangements along with confirmation numbers and a complete Bill of Lading. There is a minimum \$80.00 charge for having us return your materials to our Warehouse for UPS pick-up.

MATERIALS LEFT ON EXHIBIT FLOOR AT CLOSE OF SHOW

Any materials abandoned without proper paperwork on file or for shipments not picked up at the show site by your designated carrier, will either be forced on Yellow or returned to our warehouse (our choice). Materials returned to our warehouse will incur a return to warehouse fee along with storage charges when applicable. Carriers should arrive prepared with the company name, number of pieces, and destination for any shipment they have been designated to pick-up. All material handling, return to warehouse, and/or storage charges must be settled before a shipment will be released to any carrier.
